We are putting up a building at a cost of more than a lakh of rupees, and there is not the remotest possibility of the school being abolished. If the retrenchment Committee are able to recommend suitable lower scales &c, we may then readjust the establishment by transfers &c

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 6530 / 482 Enc

Bangalore 26th January, 1911 ~~10~~

From

J WEIR ESQ MA

Inspector General of Education in Mysore

To C S Balasundaram Iyer, Esq , B A ,
Offg Secretary to the Government of H H the Maharaja
of Mysore, General and Revenue Departments, Bangalore

SIR

With reference to Government Order No 7072-3/Edn226-09-2 dated 15th February 1910, I have the honor to submit the following proposals for placing the establishment of the Bangalore High School on a permanent basis

2 In Government Order No 6298-9/Edn 154-08-5 dated Bangalore 7th January 1909 provision was made for 3 sections of the 6th form, 2 sections of the 5th form, and 3 sections of the 4th form and an establishment consisting of 1 Head master and 10 Assistants was sanctioned besided Munshis, writer, Librarian and menial servants But the same order actually sanctioned the appointment of six assistants in addition to five assistants transferred from the Central College

3 In April 1909 an additional assistant was sanctioned in Government Order No 10404-5/Edn 154-08-14 dated 21st April 1909 to open a fourth section of the sixth form till the end of December 1909

4 In January 1910 this additional assistant was utilized to open a third section of the fifth form and when the Matriculation results were published a fourth section of the sixth form was opened and another assistant was appointed terporarily till the

end

end of December 1910, and this was sanctioned in Government Order No 7908-9/Edn 279-09-2 dated 11th March 1910

5 The present establishment thus consists of 1 Head Master and 13 assistants for 10 sections of the High School forms There is no immediate prospect of a decrease in the number of pupils seeking admission to the High School and permanent arrangements may therefore be made for ten sections

6 The present teaching staff is quite sufficient for the immediate wants of the school, but an additional Hindustani Munshi will be required when the new building is finished At present some of the assistants in the High School Department do some work in the Anglo-Vernacular Department, and some of the assistants in the Anglo-Vernacular Department do some work in the High School Department But as it is reported that the new High School building will be ready for occupation during the next financial year it will be advisable to make a complete separation of the staffs of the two sections when the classes open after the summer vacation so that there may be as little dislocation as possible when the High School classes move into the new building

7 The High School teaching staff may be fixed as follows -

1	Head Master	
13	Assistants	
1	Drawing Master	
1	Kannarese Munshi	
1	Sanskrit Munshi	
1	Telugu Munshi	(allowance)
1	Tamil Munshi	(allowance)
1	Hindustani Munshi	(allowance)

It is not advisable to fix the grades of the appointments in a school as this would make it difficult to arrange for transfers between different schools in cases of necessity

8 The following assistant masters tentatively appointed or promoted by Government Order No 6298-9/Edn 154-08-5 dated 7th January 1909 may be confirmed with effect from the date of appointment or promotion:-

Mr G Venkatanaranaiya B A - Rs 60 in C IV

Mr S T Raghavachar B A - Rs 50 in C IV

Mr S Srinivasa Rao B A - do (on other duty)

(Mr P Krishnasaryaiya acting)

Mr K T Sudarsanaengar B A - Rs 50 in C IV

Mr K Srinarsimhaiya B A , L T ,- Rs 50 in C IV (on other duty)

(Mr B K Venkataramiengar acting)

Mr R Ramarao B A - Ps 50 in D I

Mr K Srinivasa Raghavachar B A - Rs 50 Fixed pay (may be placed in D I)

Mr K S Ramaswamiengar Rs 30 in D I

Messrs K Bhima Rao B A , and M G Srinivasa Rao B A who were appointed in class C IV on probation as Science Assistants in the Central College by Government Order No 10616-9Edn 322-09-10 dated 2nd June 1908 and then transferred to the Government High School, Bangalore by Government Order No 6298-9/Ed,154-08-5 dated 7th January 1909 may be confirmed from the date of their first appointment

9 Both a writer and Librarian are necessary for such a large school and the present incumbents may be confirmed in their appointments

10 The menial establishment consists at present of

1 Dafadar and laboratory peon
4 peons
1 sweeper
1 scavenger
1 gardener

and this will suffice for the immediate needs of the school

11 At present there is only one gymnastic instructor for both the High School and the Anglo-Vernacular school It is advisable to appoint a separate instructor at once for the High School and provision

may

may be made in the budget for a new hand on Rs 20/-

12 The following annual grants to the High School may also be confirmed --

(1) Library Grant Rs 100

(2) Prize Grant Rs 150

(3) Contingent Grant Rs 240

13 Objection has been taken to the large cost of the establishment, but a comparison of the average cost per pupil in different schools shows that the Bangalore High School is really more economical than the smaller district schools

14 In Government Order No 7072-3/Edn 226-09-2 dated 15th February 1910 it is suggested that the limit of 40 pupils in each class may be relaxed, but I regret that I am unable to recommend any such modification in the present rules With a class of forty in actual attendance it is impossible for any master to give the attention to each boy that is so necessary for pupils at that stage of education, and there is no special object in making arrangements to increase the number of failed matriculates

15 The appointments in the Anglo-Vernacular school of Mr C S Anantapadmanabha Iyer B A , L T , sanctioned in place of Mr G Venkatanarniah in Government Order No 7272-3/Edn 177-08 dated 4th February 1909, and of Mr Paul S Chinnappa B A in place of Mr S Srinivasa Rao in Government Order No 7708-9/Edn 191-08-2 dated 11th February 1909 may also be confirmed

16 A detailed statement showing the present establishment of the Bangalore High School is forwarded herewith

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General

SIR

I have the honour to forward herewith a Proposition statement received in duplicate with letter No 7676/b5C dated 6th March 1911 from the Inspector General of Education regarding the confirmation and also the revision of the Establishment tentatively launched for the Bangalore High School

2 The statement is not properly prepared as it includes under 'Present Scale' the entire establishment originally sanctioned for the School as well as the temporary additions made each year consequent on the increases in the number of students in some of the forms, and no distinction is made between the two The original staff sanctioned for the School was itself tentative and the subsequent addition of 2 teachers was sanctioned only for a year

3 The present proposition is (1) to confirm the staff tentatively sanctioned when starting the High School (2) to make permanent the additional two hands subsequently sanctioned,

(3) to sanction some increases under allowances to Munshis, and (4) to appoint a new Gymnastic Instructor The result is an addition of Rs 1584/- to the tentative establishment originally sanctioned

4 Without entering into the merits or otherwise of the Inspector General's proposal, it may be mentioned in this connection that the present condition of the finances does not admit of any increases to recurring expenditure unless the requirements of each department with reference to the general financial situation are thoroughly investigated and a settlement is arrived at The appointments in the Education Department, moreover, have not hitherto been sanctioned with reference to any fixed scale for officers of any particular class or status, but on various rates of pay sanctioned from time to time according to the requirements of individual cases The time has now come, I think, for the needs of the whole Department being thoroughly enquired into, and a suitable scale of officers being fixed by reference to which all future appointments and promotions should be regulated Until such time, I beg to suggest that the tentative arrangements now in force may be continued without any change
